

EASE QuikCode™

Great for the shop or emissions station, use the EASE **QuikCode™** to quickly diagnose vehicle problems. Connect **QuikCode** to the vehicle to find out why a vehicle's MIL Light is on. **QuikCode** reads and clears trouble codes and can be used to reset the MIL after the vehicle has been serviced. This professional, stand alone, scanner works on 1996 and newer Domestic, Asian and European vehicles.

**Quickly
Retrieve
Diagnostic
Trouble
Codes
from a
Vehicle!!**
